

Foster Care Agreement
Blue Angel Weimaraner Rescue, Inc.

This agreement is made between Blue Angel Weimaraner Rescue, Inc. herein after known as RESCUE and you, known as FOSTER. Thank you for caring about our Weimaraner in need and welcome to our foster care family. Being a foster home means giving love, encouragement and unqualified acceptance. Because you are caring, this dog will now be placed in a loving responsible home that it deserves from the start. The Weimaraner that you are fostering has been checked by our vet and has received the following care:

Rabies Vaccination/DHLPP Vaccination
Bordatella Vaccination (Kennel Cough Preventive)
Heartworm Test and on monthly prevention unless noted otherwise
Fecal Test or Treatment (hook, round and whip worms)
Spayed/Neutered and Micro chipped

By providing your home as a foster home, you are able to evaluate the dog's personality and disposition around family members and other pets. This will help determine what type of home is needed. Your evaluation of the dog and the suitability of the prospective adoptive family is invaluable to his/her placement. DO NOT HESITATE to voice your observations and concerns about a family that may be interested in adopting.

Foster agrees to the following:

- The weim you are fostering should NEVER be allowed off leash unless he/she is in your safely fenced yard (with locked gates).
- Foster will keep his/her collar with rabies, micro chip, rescue tags on him/her at all times. A choke collar (if provided) is for walking your weim on a leash. These choke collars can be fatal for a dog if left unattended. (Dogs can hang themselves if left unattended in a choke collar.)
- Foster will feed only the food & amounts recommended. Good quality food such as 4Health, and not table scraps, PLEASE!
- Be sure to use the crate (if provided) when the dog is to be left alone. This will ensure the dog's safety along with the safety of your home.
- Should the weim you are fostering become ill, NOTIFY RESCUE IMMEDIATELY! We prefer to take our rescues to our vets who know their history. In the case of extreme emergency such as an accident or bloat, take the dog to the nearest available veterinarian immediately, AND NOTIFY RESCUE IMMEDIATELY!
- DO NOT ALLOW ANYONE TO TAKE THE DOG FROM YOUR ITS FOSTER HOME! Potential adopters are welcome to come visit but they are instructed to call and Adoption Coordinator for the adoption and release process.
- There will be NO VERBAL CONTRACTS. Fosters will NOT be able to adopt the dog until a written Adoption contract is completed, submitted and approved. Nothing will be implied and no oral contracts will be acceptable under any terms. All written applications will need to be approved by the rescue in order for a foster to adopt.

Venue for any lawsuit between rescue and foster or any lawsuit brought to enforce this contract or for breach of this contract shall be in Johnson County, Texas. I agree and indemnify and hold harmless the rescue, its officers, directors, employees, volunteers, agents, and representatives for all manner of actions and causes of actions, suits, debts, dues, accounts, bonds, contracts, agreements judgments, claims and demands whatsoever arising out of my possession and placement of this dog.
